Sub.- Sub.- Renewal of Accreditation as Independent Third Party Meter Testing Laboratory

With reference to the captioned subject, and your office e-mail dated 17.03.2023 requesting to the Commission for renewal of accreditation as Independent Third Party Meter Testing Laboratory, till 30.03.2024 based on NABL accreditation for Meter Testing till the said date, it is to state that the Commission has decided to extend the validation period till 28.05.2024 considering extension provided by NABL. However, the authorization shall stand automatically withdrawn after completion of accreditation of NABL unless it is not renewed and submitted to the Commission.

Further, the Commission had sought details such as (i) number of meters tested from the date of empanelment i.e. 14.05.2019 till the date of validity period, (ii) per meter testing cost recovered, (iii) total cost recovered and (iv) results of the said meters tested, vide this office letter dated 21.09.2022 and directed empaneled Laboratories to submit the said within 15 days from the date of receipt of the letter. However, inspite of passage of more than five months, the said details have not been received. It is once again reminded to submit the said details at the earliest.
