

Electronics And Quality Development Centre

(Established by Govt. of Gujarat)

(under STQC Programme ,DEIT, MeiTy Govt. Of India)

An R & D Insitute Recognised by Dept. of Scientific & Industrial Research

Research & Development
Calibration
Testing

- Training
- Consultancy
- EMI/EMC Testing
- Third Party Inspection
- Verification & Validations
- Software Testing & Training

Comprehensive EQDC Service

Web: www.eqdc.in

Major beneficiaries

•MSME's / Government Bodies/ Semi Government Bodies / Research & Development Institutes / Institutional Organizations Public and Private Sector & Utilities etc..

GOVERNMENT BODIES

- Space Application Centre, Ahmedabad
- Airport Authority of India,
- ONGC/ Indian Petro Chemicals Ltd/ Indian Oil Corporation
- Gas Authority of India-Ahmedabad, Vadodara
- Western Railways
- Indian Air Force, Vadsar/ Remote Sensing & Commn.
- Food and Drugs Laboratory/ Animal Husbandry
- RIO, DET, ITI's, DTE, GIL, DST, GAD-GoG, DEE, DEO, , FDCA
- Sardar Patel Institute of Public Admin
- Health & Family Welfare, Govt. Hospitals, Medical Colleges etc
- Collectorates/ DIC's / Education Department
- Treasury, Police Department & many more such distinct organizations

EDUCATIONAL INSTITUTIONS/ ORGANIZATIONS

- Gujarat Technical University
- L.D. Engineering, Ahmedabad
- Hemchandracharya North Guj. University
- Nirma Institute of Technology
- Saurashtra University
- Vel Tech Dr.R.R & Dr. SR Technical University
- IIT's

SEMI GOVERNMENT BODIES

- Sardar Sarovar Narmada Nigam
- GWRDC, GWSSB, CED, IndexB
- Gujarat Maritime Board
- Gujarat Pollution Control Board
- State Bank of India, Union Bank of India,
- Gujarat Energy & Research Management Institute and soon.....

PUBLIC AND PRIVATE SECTOR

- MGVCL, PGVCL, UGVCL, Torrent Power AEC Ltd
- Tata Chemicals, Mithapur
- Reliance Industries Limited, Jamnagar
- Torrent Pharmaceuticals/ Intas Pharmaceutical
- Mc Loids Pharmaceuticals/ Cadila Pharmaceuticals
- Tata Honeywell/ Tata Tele Services/ Tata Consultancy Services
- ERDA ATIRA/ CERC/NSIC
- Other SME/ SSI Units

CED, GWSSB & Utilities for product development, energy efficient motors/ pumpsets etc as per Latest Relevant IS Code & Specification
GRIMCO-various kits under Garib Kalyan Mela, GoG program
TPDDL, New Delhi for Energy Meters (Suspected Tempered Meter)
& recently empanelled with DERC, Govt. of Delhi

NABL Accredited Lab
(NABL Certificate: CC-2491, TC-6695)

The credentials :

NABL Accreditation : for all its testing and calibration facilities

- Recognized as SIRO, by DSIR, Govt. of India
- BIS recognition for its facilities
- Recognized as one of the centre under STQC program, MeiTy , Gol
- Energy Audit Authorization from GERC, Govt. of Gujarat
- Third Party Inspection Agency (for Pre & Post Inspection) :

ELECTRONICS AND QUALITY DEVELOPMENT CENTRE

(Established by Govt. of Gujarat)

(under STQC Programme ,DEIT, MeiTy Govt. Of India)

An R & D Institute Recognised by Dept. of Scientific & Industrial Research

GANDHINAGAR:

B-177/178 & B-23/2, EQDC Circle, GIDC Electronics Estate, Sector-25, Gandhinagar-382024.

Phone : +91 9909039138/31/32/33/34

Email : customer@eqdc.in,

qm@eqdc.in, md@eqdc.in

VADODARA:

C1-641/648, GIDC, Industrial Estate, Makarpura, Vadodara-390 010.

Phone : +91 6359905520/ 21

Fields of Services

- Electro Technical Calibration
- Testing Elec. Elect/ Temp./ Press., & Dim.
- Third Party Inspection
- Consultancy & Training
- Electrical Motor and Pump Testing
- Product/ Electronics Safety
- Software/ Hardware Testing
- Energy Meter Testing/ Energy Auditing
- Flow Measurement
- Innovation, Research and Development
- Rotating Machines for energy Efficient
- Medical Instrumentation
- EMI/EMC/ CE Marking
- Solar Photovoltaic Testing
- Energy Meter Testing/ Energy Auditing
- Battery Testing and Many More...

Introduction

EQDC, set up by IMD, Govt. of Gujarat

We are only Self Sustained National Level Laboratory in the country, well-known for testing, calibration, quality advisory services, TPI, Educational Training and Research & Development Activities.

ISO 9001: 2008 Certified facilities, NABL Accredited , BIS Recognised Laboratory & DSIR recognised R& D Centre.

Vision

“To provide World Class Services in Calibration, Testing& Training in Quality Awareness”.

Mission

To be a key facilitator in making Industries/IT Organizations and users to achieve their quality products by meeting compliance to National and international standards and compete globally by providing, Calibration, Testing and Quality Services”.

Quality Policy

Provide quality calibration, testing, third party inspection, training, consultancy and R&D services in accordance with stated methods and customer's requirements to win their confidence and trust.

Provide prompt service to meet customer's expectations.

Initiate our personnel to enhance knowledge, leadership and professional competence and maintain consistent credibility. Our people are our best assets.

Continual Improve in Services to the Customer and Management System.

Effectively communicate, understood, implement and maintain the Quality Policy and Procedures throughout the organization. Comply with the International Standard ISO/IEC 17025:2005, ISO 9001: 2008 and reflect the essence of above policy.

Strength

- Manpower
- Infrastructure
- Equipments
- Revenue
- Human Resource Development

Services

- Development of Industrial Clusters.
- Quality Facilitation Centre for MSMEs
